Mr and Mrs. M F. Chostner nrrived home Sunday from their tup up to Detroit, Mich, where they spent nearly six weeks with their son, Grover C, and saw many interesting sights in that part of the country, along with the great Ford automobile factories. He also crossed over into Canada and took in some interesting sights there. The thing that seems to have interested nonas much or more than anything else was the system of fine public roads. Mr. and Mrs. Chostner will leave here again next Saturday for Ardmore. Okla, where they will visit their daughters, and will go from there to Wilson to visit daughters there. They will be accompanied by their grandson, Johnny Chostner, and will be gone until next spring

masterpiece. "The Heart of the Toiler," at our Chautauqua. It deals in serve trees or shrubs must report to a practical way with the underlying causes of present industrial difficulties. For more than twenty years Dr. Tanner has been making a study of the working man, oftentimes side by side. In his "Heart of the Toiler." Dr. Tanner may have the heart of the labor question.

G. F. Hopkins Store

I do not believe with Ingalls that "Opportunity knocks but once at each mans door". I believe it knocks often, but after while a man becomes so satisfied in his rut that he does not hear the knocks. I believe a man loses his courage to grasp opportuniities, and that he allows fear to thrag him to failure, while courage would lift him to suscess.

portunity to save money by giving you a better quality for the same money, or the same puality for less money than others can afford to give. You should take advantage of Higger out of the old rut and trade here.
